Ordering / Shipping

Older varieties will generally be double divisions plus, while the newer and more expensive cultivars will be bloom size singles. I dig, pack, and ship all orders myself. If your oder is not what you were expecting, don't hesitate to call or return immediately for a refund.

Cultivars listed have proven hardy in Nortern Ohio, grown organically in heavy clay soil.

Crintonic Gardens is committed to a more responsible use of our natural resources and uses only recycled shipping containers and biodegradable packaging materials.
